The School Performance Score

Every eligible K-12 school receives a School Performance Score (SPS) that is reported on a scale from zero to 150 and that measures how well schools perform on the following indices.

Elementary Schools

Elementary/Middle Schools (with Grade 8)

High Schools

Note: BESE-approved alternative schools are evaluated under an alternative SPS formula

2022-2023 “#Lion_Strong”

Louisiana's Letter Grade Scale

Along with an SPS, every school also receives a corresponding letter grade based on a 0-150 scale. Based on Louisiana's ESSA plan, the overall grading scale was designed to adjust over time to allow schools time to respond to higher expectations in each index.
